

Tolaini

Valdisanti Toscana IGT

The grapes for this blend come from the estate's San Giovanni vineyard. The grapes are manually harvested and then undergo a strict selection process; first as bunches and then once they are destemmed, the whole berries are transferred into French oak fermenters and a portion into stainless steel which undergoes temperature-controlled fermentation. The wine is then raised for 16 months in barriques (70% new), of which 6 months are on the lees. San Giovanni is the name of the vineyard in the valley next to the tiny hamlet of San Giovanni a Cerreto. The chalice with the serpent is the symbol of San Giovanni (Saint John). In the church adjacent to the vineyard is a renaissance painting by Rutilo MANETTI depicting the Saint offering this chalice to the Madonna. This symbol is a tribute to this ancient land and the Saint for whom it was named.

Grape varieties : 75% Cab Sauvignon, 20% Sangiovese and 5% Cab Franc

Altitude : 320-380m ASL

Exposure : West/Southwest

Soil : Lime and clay, with a considerable presence of gravel

Alcohol : 13.5%

Tasting notes :

Youthful, rich dark fruit, berry and cassis aromas meld with notable French oak spice. On the palate, Valdisanti is full-bodied with deep but reserved fruit flavors framed by rich oak. The excellent balance of fruit intensity with fine tannins indicates a cellar-worthy wine.
